Dear Sir,

This refers to the MATRIX Heat Recovery Unit supplied by you vide our P.O. No. 080104 dated 08.01.2002, commissioned in May'02 on our 03 Nos. (2W+1S), 380 KVA Cummins Engine, designed to produce 2,10,000 Kcal/hr hot water.

The complete system is designed, supplied, erected and commissioned by your team successfully. The performance of the MATRIX Heat Recovery Unit is satisfactory.

Thanking You.

V.K. Bhati
Dy. General Manager
